Once you select a player or the players – remember to hit the SAVE at the bottom of the page:

Save

Once you select SAVE – you cannot remove a guest player for that game. The guest players will only appear on the rosters for the game that you selected in the beginning of this process. If you make a mistake and a 'selected guest player' is not playing – you will need to cross him or her off the game day report.

Your game day roster will look like this with your guest players listed and their original team they are carded on will be listed.
